One-piece wire spool adapter
NW900-00-421

Two-piece wire spool adapter
NW900-00-420

Product description

One-piece adapter allowing easy installation of a D300 welding wire spool weighing up to 15kg in semi-automatic welding machines.

The adapter, made entirely of polypropylene, ensures high durability, and its design ensures the correct and stable positioning of the wire spool.

The adapter is equipped with additional protection preventing the mounted spool from slipping during the operation of the device.

Technical details
