

product code: 044-06-127HP
product ean: 5900391251331

High-Performance rotary burrs are designed to meet the most demanding applications in the machining industry. Thanks to the TiAlN coating, HP rotary burrs are highly resistant to high temperatures and oxidation. This coating provides the rotary burrs with exceptional hardness. These rotary burrs are especially recommended for use with hard steel alloys.

Technical details

Type	owalny
Diameter of the working part (D1)	12,7mm
The length of the working part (L2)	20mm
Total length (L1)	70mm
Pivot diameter (D2)	6mm
Use	for general use (especially for hard metal steel alloys)
