## Product description

# SPARTUS® EASYTIG 17 TORCH

The **SPARTUS® EasyTIG** series is a classic solution of welding torches designed with simplicity and ergonomics in mind.

### TORCH BODIES

**Easy** series torches are offered with a standard torch body (or a flexible version available in the configurator).

### HANDLES

The handle used in the **SPARTUS® Easy** holder, thanks to its ergonomic design and non-slip lining, provides comfort and a high level of control, necessary for precise guidance of the torch.

### WIRE PACKAGE

In **EasyTIG** torches, the set of cables, marked with the X symbol, is in a textile-rubber sheath with a section of leather behind the handle and a basic set of consumables.

### CONNECTIONS

A wide range of connections enables the use of SPARTUS® torches with the most popular welding devices available on the European market.

*The picture of the handle presented in the article is illustrative and depends on the options selected in the configurator and related products.*
