

Product details: Female Quick-Action coupling for torch with external thread G 1/4"RH (oxygen)

product code: **SP062-DKG-O14R**

product ean: **5900391004586**

Standards:

- EN561-O

For full protection, the offered quick couplings should be used with SPARTUS® dry flashback arrestor.

Product variants

| Index | Price |
|--|---------------------------------|
| Female Quick-Action coupling for torch with external thread G 1/4"RH (oxygen) SP062-DKG-O14R | €12.67 / pc Net price |
| Female Quick-Action coupling for torch with external thread G 3/8"LH (fuel gas) SP062-DKG-A38L | €12.67 / pc Net price |
| Female Quick-Action coupling for torch with external thread G 3/8" (oxygen) SP062-DKG-O38R | €12.67 / pc Net price |
| Female Quick-Action coupling for torch hose connection fi 8,0mm (fuel gas) SP062-DKT-A80L | €12.67 / pc Net price |
| Female Quick-Action coupling for torch hose connection fi 6,3mm (oxygen) SP062-DKT-O63R | €12.67 / pc Net price |
