Full face respirator SPARTUS® 90

SP070-00-090

Product description

Full face respirator SPARTUS® 90 - DESIGNED TO PROVIDE MAXIMUM RESPIRATORY AND EYE PROTECTION.

HIGH QUALITY

The highest quality of the product guarantees the safety and comfort of the user's work. Meanwhile, the use of highquality materials in production allows for easy maintenance and cleanliness of the mask.

COMFORT

Flexible and adjustable straps make it easy to adjust the mask to any face shape. This ensures that the product is comfortable and does not restrict movement.

ERGONOMICS

The ergonomic shape of the SPARTUS® mask provides a wide field of vision and allows unrestricted head movement.

HIGH PROTECTION

Thanks to the wide polycarbonate visor, the mask provides complete facial protection. Additionally, a quick fit test allows for professional fitting and sealing.

FILTRATION

The double filtration used in the mask reduces breathing resistance and balances the weight of the respirator. The replaceable filters make the mask a reusable product suitable for various types of hazards. The bayonet mount of the filters allows for easy and quick replacement.

CERTIFICATE

The SPARTUS® 90 mask is compliant with the EN 136:1998 standard.
